

## 67–120 Removal and installation of ornamental frame on windshield

---

### Removal

---

- 1 Remove windshield pane (67–100).
- 2 Push the three covers on ornamental frame aside.
- 3 Push ornamental frame out of rubber frame by means of plastic wedge.

### Installation

---

**Note:** Rub rubber frame lightly with acid-free grease prior to installing ornamental frame.

- 4 For installation proceed vice versa.
